ZODIAC

News Service 950 Howard Street, San Francisco, California 94103 (415) 956-3555

Dear Hal:

Here's a story released this week by Pacific News Service, written by Wayne.

Much of the Los Payne material included was added after I suggested that PNS editors contact Payne before sending out Wayne's story.

Thought you'd be very interested in this. I'll talk to you about it Thursday or Friday.

Jon
